Forecast For West Midlands
Issued by Met Office Exeter
at 1600 on Saturday 18 Sep 2021

++ Valid for broadcast between 1800 and 0600

Headline:
Turning cloudy with rain overnight and into Sunday.

This Evening and Tonight:
Some late sunny spells are possible as showers ease through the evening. Skies turning cloudy overnight as a band of rain gradually moves eastwards across the region. Another mild night. Minimum temperature 13 deg C (55 deg F).

Sunday:
Cloudy and wet on Sunday, with showery rain, heaviest in the east. Western areas slightly drier and may receive some brighter spells through the afternoon. Temperatures down compared to Saturday. Maximum temperature 20 deg C (68 deg F).

Outlook for Monday to Wednesday:
Sunny spells in the west on Monday, but cloudier further east. Dry with sunny or bight spells on Tuesday. Most of Wednesday dry and bright before rain arrives later.
